

Name: _____

Cape Lookout Lighthouse: Interview with Heber Guthrie

As you listen to the interview with lighthouse ambassador Heber Guthrie, answer the following questions.

1. What was wrong with the original lighthouse built in the early 1800s?
2. Who was the first lighthouse keeper of the Cape Lookout Lighthouse?
3. How tall is the Cape Lookout Lighthouse?
4. Where do the diamonds on the lighthouse pattern face?
5. How often does the Cape Lookout Lighthouse flash?
6. How many steps does the Cape Lookout Lighthouse have?
7. Why was the lighthouse turned off during World War II?
8. What was the function of the Keeper's Quarters?
9. What are the Keeper's Quarters used for today?
10. Who owns and maintains the lighthouse today?

Match each term with its correct meaning based on the interview.
